(vacant) Government Affairs Liaison

JUNE MEETING NOTICE

Wednesday, 15-June-2005

5:45 - 6:15 Geologist Orientation @ Guadalupe's Cantina
6:30 - 8:30 Chapter Meeting @ King's Buffet Restaurant

Meeting/Donation Cost: \$20:00
(*RSVP/Directions below*)

Dear AEG Members:

A tremendous amount of significant business was accomplished at the May meeting thanks to those who attended to assist with decisions, and with thanks to Mark Spykerman and Richard Orr who officiated as interim appointed Formation Committee Chair and Vice-Chair (with much thanks !). Minutes of that meeting (with a Treasurer's Report) and an Agenda accompany this Announcement for the June Meeting, which will focus on old business and new business, and a speaker presentation (announced below). You that receive this Meeting Announcement are encouraged to attend this next meeting. (Please RSVP as indicated below).

Rick Gundry, Treasurer
AEG Inland Empire Chapter

Attendees/facilitators at May Meeting

Thanks to the individuals who participated in last month's meeting: **Mark S. Spykerman, Earth Systems Southwest; Doug Cook, Kleinfelder & Associates; Gary Wallace, RMA Group; Mike Cook, Kleinfelder & Associates; Richard Orr, Leighton Consulting Inc; Jeff Keaton, AMEC; Richard Escandon, Kleinfelder & Associates; David L. Perry, Consulting Engineering Geologist; Paul Peterson, Earth Tech.** Thanks also to those who attended the previous April meeting that were not able to attend, and those that have expressly indicated interested in other ways who will be participating as they can. Please let us know your views and thoughts and comments by e-Mail, even if you are unable to attend.

This Month's Speaker: *Mark Spykerman, Engineering Geologist, Earth Systems Southwest*

"The Alquist-Priolo Act and Creationism: Literal Conflicts ?"

Clients and peers have religious beliefs that may be contrary to what we as practicing geologists in California may personally believe. This talk is about a circumstance where a respected peer posed a 'faith' question with respect to "active faulting". The question pertained to the "young earth" view of the earth being on the order of 6,000 years old versus the AP use of 11,000 years for defining an active fault. Mr. Spykerman will discuss the background geology that brought the "question" to the forefront and how he attempted to navigate a treacherous response path without offending the "young earth" beliefs of the peer.

Section Chairman's Message - AEG Southern California Section

Please note that the up-coming [AEG Southern California Section] June meeting is a joint meeting with the Coast Geological Society held in Ventura. Please see the web page for details. Also the date of the meeting is June 21, not June 14.

Cheers - Matt Hawley, Chairman, AEG SoCal Section

Directions to Meeting(s)

King Buffet
Chinese, Italian, Japanese and American
204 E. Hospitality Lane
San Bernardino, CA
Ph. (909) 885-2338

GuadalaHarry's

AGENDA

Opening AEG Inland Empire Chapter, Southern California Section 15-June-2005

- Welcome Remarks
- Introductions
 - Sign-in Sheet
 - New attenders
- Announcements
 - Thank you to Mark Spykerman and Richard Orr (previous meeting)

Dinner (Meet and greet further)

Talk Mark Spykerman (Title/Topic in Meeting Announcement)

Old Business

Thank you and acknowledgement that attenders voted for Frank Jordan and Rick Gundry for remainder of year as President and Treasurer, respectively.

1. Approval of Goals Committee (those that attend).
2. Approval of Formation Committee: (Mike Cook, Frank Jordan, Doug Cook, Rick Gundry, Gary Wallace).
3. Approval of Membership Committee Chair (Richard Orr).
4. Approval of Goals from last month's Goals Committee recommendation
 - Technical emphasis - field trips, presentations
 - Informal experience exchange and networking
 - Local Topics
5. Approval of AEG Inland Empire Mission Statement
 - "Represent the southern California Section of Association of Engineering Geologists in the Inland Empire region."
6. Approval of Card draw for free meal (discussion to document rules of play).
7. Approval of volunteer contributions to cover student attendees (discussion of method). Recognition for contributors.
8. Recognition of AEG Mission, the thought of AEEG, presentations by attenders in future,

AEG Awards Committee, Student Outreach, posting of job vacancy announcements, topic of Assistance, scholarships, grants.

New Business

1. Treasurers Report
