Open Discussion

Election Of Officers

President Frank Jordan and Treasurer Rick Gundry Officer positions “tenure” ends this Calender Year, effective 31-Dec-2005. Thus, the Inland Empire Chapter needs to not only think about future replacement Officers but begin to act immediately to move for the emplacement of those Officers and additional Officers to begin in 2006.

Otherwise, the organization will fold, *per diem* , even though it has an extremely strong beginning with a significant amount of interest of professional individuals participating, and supporting the organization with terrific enthusiasm.

Thus, steps are planned to assist in this procedure for selection of Officers in the coming months and at the various places we will meet. It will take all of you to make the difference, and some of you to, well, step up to the plate, as a matter of speaking. (See calendar at Southern California Section web-site, Inland Empire Chapter: <http://www.aegsc.org/chapters/inlandempire>).

A volunteer or candidate for Officer of the Chapter need not to be a member of AEG, except for the position of President. NOTE: For other positions, membership in AEG is not a requirement (that would be one’s own professional decision), but seemingly would be encouraged.

NOTE: Election of Officers will take place by November 16 Meeting by e-Mail. Results of election to be announced at November Meeting and December Notice of Meeting. Installment of elected Officers will occur at December Meeting, when new Officers begin. The outgoing President would become *Ex Officio* President (Past President).

Chapter Officers/Committees

As you can see in the letterhead of this message, the Chapter has two Officers, President and Treasurer, two Committee Chairs (Richard Orr, Membership, and Lisa Batattio, Meetings). . There is currently an Organic Committee, which is expected to be not long-term, composed of: Mike Cook, Frank Jordan, Doug Cook, Rick Gundry, and Gary Wallace, and a Member of the Meetings Committee, Rick Gundry.

There are likely a plethora of Officers or Committees needed, or maybe some crucial ones, as follows:

Vice-President South	Vice-President North
Secretary	Editor, Newsletter
Web-Person	Govt Affairs Liazon
Education/Outreach Chair/Comm	Fund-raising Chair
Field Trip Chair/Committee	Speaker Liason
Political Contact Chair	Media Representative
(other ?)	

Perhaps you have other ideas we need to know about. If you are interested in any of these, or if you have other ideas, you need to make yourself known, and please let us know what are your ideas,

thoughts, or recommendations, or your interest to be involved is, in the way you would like to..

Note: Further Appointment of Committee Chairs and Committee Members will be made through the December meeting, as needed.
