- 2. Message: Charles Nestle, Chairman, AEG Southern California Section**

## Election Of Officers

President Frank Jordan and Treasurer Rick Gundry Officer positions “tenure” ends this Calender Year, effective 31-Dec-2005. Thus, the Inland Empire Chapter needs to act immediately to move for the emplacement of those Officers and additional Officers to begin in 2006.

Otherwise, the organization will fold, *per diem*.

A volunteer or candidate for Officer of the Chapter need not to be a member of AEG, except for the position of President. NOTE: For other positions, membership in AEG is not a requirement (that would be one’s own professional decision), but seemingly would be encouraged.

## Thanks

This is for thanks to Lisa Battiato, **Geocon Inc.**, and Rick Gundry, **Bureau of Indian Affairs**, continuing to volunteer with meeting venue and speakers into the future. The two were Officially appointed as Committee Members for the Meetings Venue Committee on 3-Oct-05. Chairwoman Lisa will serve as Chair and Member to coordinate and arrange meeting locations for about half of the meetings. Rick Gundry will serve as Member to coordinate the remainder of the meetings as well as arrangements for seeking, and to arrange for, future talk subjects and speakers. Please contact them if you have ideas and suggestions.
